**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

The U.S. supposedly is founded on the principles of free and fair competition. What has changed that we are even considering an option that will remove free and fair competition and replace it with a rule that benefits only a select few corporate goliaths that are simply attempting to create new monopolies to the detriment of everyday citizens.
